I like mail, so please drop me a line if you feel like it. You can best reach me at (replace [at] with @) [psulonen\[at\]gmail.com](mailto:psulonen[at]gmail.com). I also hang around Digital Photography Review [\[http://www.dpreview.com\]](http://www.dpreview.com) way too much for my own good; my favorite haunts are the various Canon SLR forums.
